Hyderabad, Telangana | +(91)-7675999543 | surampudimounika44@gmail.com | [LinkedIn](#) | [GitHub](#)

OBJECTIVE

Aspiring Web Developer with a strong foundation in HTML, CSS, JavaScript, Python, SQL, and REST APIs. Experienced in developing responsive web applications through academic and personal projects. Quick learner with excellent problem-solving skills, seeking an entry-level role to build scalable and impactful applications.

SKILLS

- **Technical:** Python, REST APIs.
- **Front-end:** HTML, CSS, JavaScript, ReactJS(Basics).
- **Tools:** Git (Version Control), VS Code, MS Office Suite.
- **Soft Skills:** Strong written & verbal communication, Team player, Quick learner, Adaptable, Detail-oriented, Work ethic, Time Management, Problem solving.

PROJECTS

Weather Application – Tiny Sky Tales | JavaScript + REST API | [Project link](#)

- Built a real-time weather application based on city search and API integration.
- Displayed temperature, humidity, wind speed, and weather conditions.
- Enhanced UI with dynamic icons and background changes based on weather.

Spotify Clone – Echo Play | HTML + CSS + JavaScript

- Developed a Spotify-inspired music streaming web application with core playback features including play, pause, skip, shuffle, and queue management
- Implemented playlist navigation and dynamic audio handling using JavaScript
- Designed a responsive and user-friendly UI similar to real-world music platforms.

Personal Portfolio Website | HTML + CSS + JavaScript

- Designed and developed a mobile-first portfolio website with custom CSS styling, hover effects, and component-based layout structure.
- Used CSS Flexbox, transitions, and media queries to create adaptive card layouts and interactive UI elements.
- Structured semantic HTML with internal navigation links for single-page smooth section access.

Domino's Pizza Sales and Performance Visualization | SQL + Power BI

- Analyzed Domino's pizza sales data using SQL to calculate total revenue, identify peak order times, and rank pizzas by sales within each category.
- Designed a Power BI dashboard to visualize key insights from SQL tasks and enhanced data visualization and analytical skills by integrating SQL analysis with Power BI reporting.

EDUCATION

- **Bachelor of Technology - Electronics and Communication Engineering** 2022-2025
Pragati Engineering College, Surampalem (CGPA – 8.40)
- **Diploma in Electronics and Communication Engineering** 2019-2022
Andhra Govt. Polytechnic College, Kakinada (CGPA – 9.06)

CERTIFICATIONS

- Frontlines EduTech: Web Development
- Geeks for geeks: Python Programming
